

LA FINANCIERE DE L'ECHIQUIER

Dear Sir/Madam,

I am writing to you as a unitholder in the ECHIQUIER ARTY FCP managed by the investment management company, La Financière de l'Echiquier.

I wish to inform you that we have decided to convert this fund into a sub-fund of the Echiquier SICAV (an Open-Ended Investment Company).

1. The transaction

The management of your investment management company, La Financière de l'Echiquier, has decided that your ECHIQUIER ARTY FCP will be absorbed on 04 December 2018 into the ECHIQUIER ARTY sub-fund of the Echiquier SICAV. As a result of this transaction, you will be allocated an equivalent number of shares in the Echiquier SICAV in consideration for the units in the ECHIQUIER ARTY FCP that you currently hold. The fund's ISIN code and performance track record will be retained.

This decision was motivated by the desire to offer ECHIQUIER ARTY investors access to governance managed by a board of directors. The Echiquier SICAV, unlike the ECHIQUIER ARTY FCP, has a board of directors and investors are shareholders with the right to vote and be represented at general meetings of shareholders. Each share confers one voting right. Investors therefore have direct rights over the capital of the sub-fund proportional to the number of shares they own.

This transaction was approved by the Autorité des Marchés Financiers on 21 September 2018.

Accordingly, as from 04 December 2018 - the effective date of the contribution-in-kind by merger through absorption based on the net asset values on 03 December 2018 as calculated on 04 December 2018 - all of your ECHIQUIER ARTY units and/or fractional units will be automatically exchanged for ECHIQUIER ARTY shares and/or fractions of shares with the same ISIN code, as follows:

- ECHIQUIER ARTY unit (FR0010611293) into A share (FR0010611293)
- G unit (FR0013084043) into G share (FR0013084043)
- R unit (FR0011039304) into R share (FR0011039304)
- I unit (FR0011645555) into I share (FR0011645555)
- D unit (FR0011667989) into D share (FR0011667989)

If you do not wish to take part in this transaction you can redeem your units free of charge before 26 November 2018.

2. Changes resulting from the transaction

- Risk profile

Change to risk/return profile: NO

Increase in risk/return profile: NO

- Increase in fees: NO

The legal form of your investment will change. You currently hold units in an undertaking for collective investment in transferable securities (ECHIQUIER ARTY) which has adopted the form of a *fonds commun de placement* (FCP) or mutual fund. As such, you have co-ownership rights over the assets of your fund proportional to the number of units held and investment decisions are taken by your fund's investment management company. Following the merger, you will become a shareholder in a ECHIQUIER ARTY which has adopted the form of a *société d'investissement à capital variable* (SICAV), an open-ended investment company. As a result, you will have direct rights over the capital of the absorbing sub-fund proportional to the number of shares owned and investment decisions will be taken by the corporate bodies of the absorbing sub-fund (board of directors and general meetings of shareholders). This means you can express your views and vote at general meetings of shareholders, with each share conferring one vote.

The investment strategy, risk profile and fees will be unchanged.

❖ Comparative table of changes

	ECHIQUIER ARTY FCP	ECHIQUIER ARTY SUB-FUND OF THE ECHIQUIER SICAV
Legal form of the ECHIQUIER ARTY	Fonds Commun de Placement (FCP)	Société d'Investissement à Capital Variable (SICAV)
Form of ownership instruments	Units	Shares
Voting rights	The fund is a co-ownership of securities and therefore no voting rights attach to the units held. Decisions relating to the FCP are taken by the investment management company in the interest of unitholders.	Each share confers the right to vote and be represented at general meetings of shareholders on the terms and conditions set by law and the company's articles of association.

❖ Procedures for the conversion transaction and information on the calculation of the exchange ratio

The merger date has been set at 04 December 2018.

The merger will be overseen by the Statutory Auditor based on an exchange ratio derived from the NAV of the FCP.

The merger exchange ratio will be 1 share in the ECHIQUIER ARTY sub-fund of the Echiquier SICAV for 1 unit held in the ECHIQUIER ARTY FCP.

As from completion of the merger, ECHIQUIER ARTY unitholders will receive a transaction note showing the number of shares attributed to them.

On the day the merger becomes definitive, the ECHIQUIER ARTY FCP will be dissolved. As all its liabilities and equity will be taken over by the absorbing SICAV sub-fund the dissolution of the absorbed FCP will not be followed by any liquidation process.

As from 04 December 2018, current holders of units in the ECHIQUIER ARTY fund will become shareholders in the ECHIQUIER ARTY sub-fund of the Echiquier SICAV and can therefore request redemption of their shares on any Paris stock market working day.
